Stunning Views

Welcome to Abril - a new project, named after the month of April, when winter becomes Spring, the sun starts to shine and the fields once again turn green.

Consisting of 65 homes with 2- and 3-bedroom options, all including a parking space and storage room. All the properties have been designed with meticulous attention to details making the most of the Costa del Sol sun, landscape and sea.

The communal areas of this stunning new project include a swimming pool, gym, spa, Zen space, and callisthenics area.

Ground floor apartments offer a generous garden, while the spacious penthouse properties boast incredible views and expansive outdoor space.

Located in Casares, you will find all local amenities within easy reach. You are only 30 minutes from Gibraltar and 30 minutes from Marbella.
