A Modern Marbella Lifestyle

Acqua Gardens is a stylish new residential project consisting of 95 apartments and penthouses, situated in a convenient and popular location on the New Golden Mile, between Estepona and San Pedro Alcántara.

At Acqua Gardens, you will find properties with a sleek architectural design combined with modern open-plan interiors and amenities creating one of the most attractive new-build offerings available today. Some of the details that have been meticulously thought of include top quality finishes, spacious interiors and terraces with sea and mountain views.

The communal areas include large landscaped gardens, a large swimming pool with a stylish pool deck and a professionally equipped gymnasium and working/meeting area complete with café.

The properties are set within low-rise buildings and offer a variety of sizes, orientations and configurations that allow you to create the perfect home for you and your family.

Acqua Gardens offers a high standard throughout with modern kitchens, bathrooms, cabinets and technical installations, along with your choice from a range of textures, materials and colours. There is also a list of optional features such as modern gas fireplaces, kitchen upgrades and penthouse jacuzzis.
