Redefining Contemporary Living

Welcome to Ayana - a new project of 140 exclusive apartments and penthouses, all sitting in lush tropical gardens within a gated community. The project also includes a dedicated clubhouse and spa, with the services of a concierge available for residents.

The project offers a collection of properties including two, three and four-bedroom properties. The new luxury homes have been thoughtfully designed to accentuate the lifestyle and casual feeling of Estepona and the New Golden Mile.

Ayana is built around 27,000m² of tropical, landscaped gardens with two outdoor swimming pools, a central clubhouse complete with lounge bar and restaurant, fully equipped spa and gymnasium - all serviced by a dedicated resort and concierge team, with 24hr security to bring your comfort and privacy.

On the ground floor, you can choose between a two or three bedroom property, each with a private garden. On the first floor there are three-bedroom apartments, while on the second floor there are three-bedroom penthouses that come with a private solarium!
