Introducing Bliss Homes - a new project of 134 apartments on the coast of Casares. The 2-, 3- and 4-bedroom properties will be distributed across 9 buildings, each boasting an avant-garde and modern design.

The west-southwest orientation offers maximum natural light to give bright spacious interiors for comfort and efficiency. The properties will be finished with a high level of quality, with practical and functional layouts.

Spacious living/dining areas connect seamlessly to your generous balcony, while open-plan kitchens are fully equipped with low-energy appliances.

The communal spaces at Bliss Homes have been designed with sustainability in mind, including a wide variety of equipment and top-quality facilities. These include communal gardens, swimming pool, and a gymnasium.
