### ***The Epitome of Luxury***

Welcome to Earth! This stunning new project consists of just 28 ultra-modern apartments and penthouses with 3 or 4 bedrooms. The properties are distributed across just 4 buildings: Water, Stone, Wood and Sand.

The ground-floor properties offer spacious gardens and terraces. The first-floor apartments, first-floor semiduplex-penthouses and double-sized duplex penthouses offer large terraces with private pool and stunning views.

Positioned on The Golden Mile, Marbella, this sought-after area offers all the amenities you could need and is only a short distance from the wonderful beaches of Marbella.

The modern and luxurious apartments, built to the highest qualities from design to finish. They offer modern open-plan living areas, top-of-the-range kitchens from Modulnova and much more. Each property is well equipped including sophisticated home automation. All the apartments include 2 underground parking spaces and a storage room as well as a pre-installation for charging electric cars.

The communal areas are second to none! Besides the large outdoor pool set in lush Mediterranean gardens, there is an impressive spa with a heated indoor pool, a gymnasium, a dedicated yoga room and a choice of dry and wet saunas. The youngsters can also enjoy themselves with their own kids club and pool.
