Premium Homes

Edificio España is a new project in Fuengirola, consisting of 33 luxury apartments and penthouses.

The project is a modern construction sitting just 350m from the beaches of the Mediterranean Sea.

Elegant in style, this building is an example of modern architecture where everything has been designed with comfort in at the forefront.

The exterior gardens, garages and passageways maintain the elegance and modern style of the rest of the building.

Being in Fuengirola, you are only a short drive from Malaga airport, 20 mins from Marbella, and of course walking distance to most amenities including shops, banks, schools, healthcare, cafe/bars and water sports on the wonderful Costa del Sol beaches.
