Mijas Costa / La Cala de Mijas

A Boutique Complex

Introducing Elysea Suites - a new development of 22 apartments with 2- and 3-bedroom options. This stunning new project is in Mijas Costa, a beautiful and popular area of the Costa del Sol.

The elevated position of the homes affords owners a stunning view of the sea from generous terraces that also overlook the large infinity pool. The communal areas also include a fully equipped gymnasium and a spa.

The spacious properties are bright and modern, with an open plan living/dining/kitchen area. This space opens seamlessly to a generous terrace area through large picture windows. The ground floor apartments even boast a private swimming pool!

The penthouse apartments offer a stunning, spacious rooftop solarium. Perfect for entertaining and for admiring the stunning views.

These homes have been designed for you. Therefore, there are options to customise the properties to suit you. These include upgrades and various options in the kitchens and bathrooms.
