

## Golden Views

Golden View II is the second phase of a project of luxurious townhouses. This phase consists of 16 three bedroom homes located in the Bahia de Las Rocas urbanisation in Manilva.

The location affords you amazing views over the Mediterranean and stretching down to Gibraltar. All the townhouses enjoy the best orientation, ideal surroundings and proximity to essential amenities.

The townhouses range in size from 123 to 127m<sup>2</sup>, with basements up to 45m<sup>2</sup>. Spacious terraces, gardens and rooftop solariums are there for you to enjoy the outside life made possible by the amazing Costa del Sol weather. You will also have a private parking space in this enclosed, private residential development.

The communal areas include a large swimming pool, paddle tennis court and play area for the kids.
