Welcome to Isidora Living - a new project in Estepona consisting of 102 apartments and penthouses with 1, 2 and 3 bedrooms. The properties are distributed across two blocks with 52 properties in each.

The project is only 5 minutes from the beach and the Old Town of Estepona, so you are close to everything you could need including shops, supermarkets, banks, schools, water sports, bars and cafes.

These new homes have been designed to make the most of natural sunlight with large windows to bring the Costa del Sol indoors! Including a Mediterranean style where the kitchen and living room blend seamlessly to create a large dynamic space flooded with light and that coastal morning breeze.

Spacious bedrooms and bathrooms are there to give you moments of peace and to remind you to live your best life in the best place.

Communal areas include swimming pools for both adults and children, landscaped gardens, charging stations for electric vehicles, fully equipped gym, co-working space, barbecue area and more.
