Nueva Andalucia / Marbella

### ***Impressive Panoramic Views***

Welcome to Marbella Lake - a new project of 98 apartments and penthouses distributed across several three-storey buildings.

This new private and modern residential complex sits at the heart of Golf Valley, in Nueva Andalucia, just a few kilometres from Puerto Banus and Marbella.

The two and three bedroom apartments and the beautiful penthouses and duplex properties are surrounded by beautifully landscaped gardens and multiple communal swimming pools.

The project has been designed to provide all the homes with impressive panoramic views from the spacious terraces and living rooms. The homes will be delivered fully equipped with top quality branded finishings and will be ready to move into. Each of the apartments also includes a storage room and a garaged parking space.
