New Golden Mile / Estepona

Simply stunning...

We are pleased to present to you Oceana Gardens - a new project of highly contemporary two- and three-bedroom townhouses and apartments in the popular area of Cancelada, Estepona, on the New Golden Mile.

The Apartments Open plan and contemporary in design, the apartments are distributed over three floors. The properties feature a large terrace or garden, perfect for enjoying the Mediterranean lifestyle in the sun. The apartments have oversized glass doors that provide a seamless transition between your inside and outside space.

There are high-gloss white units in the fully equipped kitchen, with plenty of space for dining, with large windows looking out to the wonderful views. Spacious bedrooms boast fitted wardrobes and en-suite bathrooms, while the master bedroom has a dressing room with his and hers sinks.

Apartments also feature air-conditioning and a private parking space.

The Townhouses Situated in front of the apartments is a collection of 12 stylish town homes. The homes are split over two levels with a modern open-plan design.

The living area is spacious and includes a fully fitted kitchen with white gloss units, and a relaxing lounge and dining area all of which are bright spaces. Elegant bedrooms feature en-suite bathrooms, while the spacious master suite also features doors out to the terrace.

The town homes also feature hot and cold air-conditioning, fitted wardrobes, private terraces and a private parking space.
