A Stunning Location

Sabinas is the fourth development in the Real de La Quinta Residential Country Club Resort and enjoys a stunning elevated position on a hillside offering spectacular panoramic views across the resort, the lake and the coast.

We are pleased to offer the first 39 apartments for sale, distributed across just 4 low-rise buildings. There are ground floor properties with gardens, and penthouses with rooftop solariums for the sun lovers.

Residents will enjoy the benefits of advanced, modern life, yet the resort has complete respect for the environment and carefully blends advanced construction techniques and local materials to minimise the impact on the surrounding nature.

The interiors are bright and spacious and offer the luxury and relaxation space you need. With open-plan design, modern kitchens, a master bedroom with ensuite, all finished to the highest standards. And only 10 minutes from Puerto Banus and 15 minutes from Marbella.

Sabinas sits within the Real de La Quinta Residential Country Club Resort, which offers a restaurant, gymnasium and Wellness Centre, golf course, equestrian centre and more.
