New Modern Apartments

Welcome to Serenity Gardens - a new project consisting of 106 new homes, located in Estepona.

The properties offer 2 and 3 bedrooms with underground parking spaces and a storeroom included. Spacious terraces of up to 165m² offer views to the gardens, swimming pool, mountains or the sea, depending on the property.

The first floor apartments offers terraces up to 35m², while the penthouse properties include a rooftop solarium, maximising your outside space. Inside, the properties offer a bright, modern open-plan layout.

The communal areas of this project offer landscaped gardens and a swimming pool, gymnasium,, meditation area, spa, communal co-working room, beach volleyball court, play area, and a putting green. Like a holiday resort at home! The gardens also include citrus and aromatic plants as well as pathways to enjoy nature.

Being so close to Estepona, you are not far from all the amenities you could want, including bars/cafes, shopping, health care, schools, banking, and of course the beaches.
