### ***Life at the Beach***

Welcome to Solemar Casares - a new residential project consisting of 58 apartments and penthouses with 2 or 3 bedrooms.

The homes are distributed over 4 buildings and offer ground-floor apartments with private gardens, first-floor apartments with sea views and topped with the stunning 3 bedroom penthouses with generous terraces and unobstructed views of the Mediterranean Sea.

All of the properties are south-facing and they all have spacious outdoor areas for enjoying the Costa del Sol weather and lifestyle.

The communal areas of the project include landscaped gardens and a beautiful swimming pool. There is a shaded outdoor parking space for each property.

Located in Casares, the properties have direct pedestrian access to the beach at Playa Ancha. You will also be only short drives from Sabinillas and the port of La Duquesa where you can find plenty to do including water sports, restaurants, bars, cafes and more.
