We are pleased to present Sunlife, set within the exclusive complex of Soul Marbella, located in a privileged position close to a prestigious golf club and offering exceptional premium specifications.

This new phase of the Soul Marbella project offers a choice of properties with 2, 3 and 4 bedroom apartments, as well as 4 and 5 bedroom villas.

The communal areas and services available are too numerous to list but include 5 swimming pools, a gym, spa, coffee area, co-working and Concierge services.

There are 20 stunning villas available all with spacious terraces and private pools. We also have 48 luxury apartments which are made up of ground floor homes with gardens, and penthouses with rooftop solariums, all also include a private pool.

As the complex is located in East Marbella, you are surrounded by the Santa Clara Golf course, and the location means you are only a short distance from the beach, all local amenities, and a short drive from Malaga Airport. Marbella town centre is a mere 10 minute drive away from your new home in the sun.

Sunlife is the perfect location to make the most of the relaxed and healthy Mediterranean weather and lifestyle.
