

## Panoramic Sea Views

We are pleased to present Villa Ziba - a stunning new villa sitting within its own private landscaped gardens on a sizable plot above La Quinta, in Monte Halcones.

This beautiful new home offers 5 generous bedrooms and 7 bathrooms and is built over three levels with a modern open plan layout around a central atrium. This amazing centrepiece has a remote-controlled retractable glass roof.

In this wonderful property you will find two living areas, a dining room, a lovely kitchen with high quality porcelain and top appliances, an office, and a gymnasium.

The home offers full climate control and features a combination of Scandinavian oak and porcelain surfaces.

Villa Ziba offers two impressive gateways which take you to a large garage with space for multiple vehicles, a landscaped courtyard with feature fountain. The garage also offers a storage area.

Both inside and outside the property you will be amazed at the panoramic views out towards the Mediterranean, La Concha Mountain and the surrounding countryside. The villa is also only minutes away from the shopping centre of Monte Halcones.

The property is also offered for sale fully furnished.
