New Homes In Casares

Welcome to Azata Delmare - a new residential project of 2 and 3 bedroom apartments, situated in Casares just a few minutes from Estepona. In Estepona you will find all the amenities you could need including schools, banks, nurseries, health centers and leisure and recreation activities.

The new homes at Azata Delmare have an open-plan layout combining kitchen and living/dining area, with large windows to maximise natural light throughout the homes creating an efficient and comfortable layout.

All the properties include a fully equipped kitchen with Siemens appliances, electric shutters and LED spotlights.

A high-efficiency aerothermal system is included which serves hot water and hot/cold air conditioning.

Your new apartment will also include an underground parking space and a storage room.
