Breathtaking Luxury

Casa Orquidea is simply spectacular! Sitting atop Herrejo Alto, in La Quinta, Benahavis, and boasting wonderful panoramic views, this luxury home offers everything.

As you approach the property along the wide private driveway, you will be in awe of the large modern property that comes into view.

With large floor-to-ceiling windows, the property is flooded with natural light and offers spectacular views from all the windows.

The ground floor offers a living area with a lounge which includes a stunning fireplace separating this area from a large kitchen and dining area. There is also an adjoining outdoor kitchen for al-fresco dining and entertaining. This floor also offers 2 ensuite guest bedrooms.

On the first floor you will find 3 ensuite bedrooms, including an impressive master suite of over 70m². This stunning room also includes a walk-in closet and a private terrace with jacuzzi.

The basement offers almost 800m² of space and despite being the lower level is lit up through large windows. This area includes several entertainment spaces, a playroom, cinema room, gym, indoor spa with pool and jacuzzi. There is also a home office, garage for 8 vehicles, and 3 further ensuite bedrooms. One of these bedrooms has its own entrance and kitchenette making it almost a self-contained apartment, perhaps for staff.
