New Homes in Estepona

Introducing Isea Estepona - a new contemporary development consisting of just 54 modern apartments and penthouses with two and three bedroom options.

The majority of the properties offer amazing sea views as the project sits within walking distance of some of the excellent beaches Estepona has to offer. The proximity to Estepona also means you are not far from all the amenities you can think of from bars and restaurants to hospitals and golf courses.

The properties feature modern design offering bright and spacious interiors that blend seamlessly with your spacious terrace space, thanks to large floor-to-ceiling windows which allow the sunlight to pour in.

Equipped and spacious open-plan kitchens blend with the living and dining areas increasing the feeling of space. The bedrooms comes with fitted wardrobes, while the master suite includes an en-suite bathroom.

The floors are porcelain or laminated and hot/cold air-con is pre-installed.

While the upper floors offer spacious terraces, the ground floor apartments include a generous private garden to enjoy the sun.

Communal areas in this exciting project include a swimming pool, playground, social club, gym, steam room and sauna.

All properties include one parking space and a storage room.
