Cabopino / Marbella

The Light of the Mediterranean

Welcome to Marbella Sunset - a new project consisting of just 16 luxury apartments and penthouses, with 1, 3 or 4 bedroom configurations.

The properties are spacious and bright with a modern open-plan layout. The floors of the interior merge with those of the outdoor space to create a sense of openness towards the sea and mountains. The integrated kitchen invite you to cook and share.

The spectacular sea views, the frontline golf location and cutting-edge design are three powerful reasons to choose Marbella Sunset for your new home.

Communal areas include two swimming pools and luxurious landscaped garden areas for relaxing.

Being in the Cabopino area of Marbella, you are surrounded by the essential amenities including supermarkets, banks, bars/restaurants, schools, and of course you are a short walk from the beach.
