The Mediterranean Dream

Welcome to the One80 Collection - a new project of apartments with 2, 3 and 4-bedroom options. The elevated position of this stunning new complex offers breath-taking views of the sea, Gibraltar and, on a clear day, the coast of Africa.

The spacious open-plan interiors lead out to generous terraces, perfect for relaxing and entertaining. The large windows flood the properties with natural light. Fully fitted kitchens are finished in contemporary matt white, with high quality fixtures and fittings throughout.

Choose from garden apartments, middle-floor, and penthouse properties with an array of different floorplans. The penthouse apartments offer stunning solariums with panoramic views.

The communal areas include a swimming pool, fully equipped gym, a poolside lounge area, and stunning landscaped gardens.

Each property includes a parking space and storage room.

The location in Estepona means you are within walking distance of local amenities, while not far from the stunning beaches of Estepona, and the nightlife and gastronomic delights of the marina.
