A new life awaits

Introducing Pure Sun II. This project consists of 100 apartments set in a stunning residential area.

The properties offer two- and three-bedroom options, distributed in blocks of a modern design, sitting in the beautiful, landscaped surroundings, large gardens and communal leisure areas.

The homes are spacious, and all have a generous terrace space and are all finished to a high standard and most apartments offer great views of the Mediterranean.

The apartments have been designed with an ideal layout with the terraces being an extension of the home.

The communal areas include an infinity swimming pool, solarium, relaxation and yoga space. There is a spa with Turkish bath, jacuzzi and sauna, and an indoor fitness area. You will also be able to use the coworking space, multimedia and games area.
