## ***Paradise is Velaya***

Welcome to Velaya - a new project consisting of 38 luxury homes and amazing resort-like facilities.

With an area of approximately 15,000 m<sup>2</sup>, Velaya is a new residential concept with character features and all the facilities you could need. This is poised to become one of the most exclusive coastal developments in Estepona.

The project has been designed down to the final details for your relaxation and well-being. This is a beachfront development offering direct access to the beach and is also well positioned for access to local amenities.

There is a choice of property type with apartments, penthouses, villas and bungalows available, with 2 to 4 bedrooms. The bungalows and villas have a private garden space with a private swimming pool.

The facilities include tennis courts, padel courts, a gymnasium, children's playground, a heated outdoor pool and a children's pool, a jacuzzi, a decking area and a barbecue area.
