Mijas Costa / La Cala de Mijas

Modern and Functional

Welcome to Vitta Marina - a new residential project consisting of 72 new homes with 2, 3 or 4 bedrooms. The properties are distributed across four-floor buildings. All the apartments have a south or southwest orientation and sea views in a large number of them.

In addition, the ground floors have a pleasant garden and the penthouses have large terraces. All homes have at least one parking space and storage room.

The communal areas are spaces designed to enjoy leisure and sports in a quiet environment. In Vitta Marina you can find excellent garden areas with a community pool, gym and social-gourmet room, where you can enjoy your free time to the fullest.

We have taken care of every detail to turn this development into your future home. We offer attractive homes with an urban, exclusive and functional design that have been equipped with first class qualities.

Vitta Marina is located in La Cala de Mijas, just a 10 minute drive from Fuengirola. It is also only 2 minutes walk from the Playamarina beach.
