El Chaparral / Mijas Costa

Welcome to Nature

Vitta Nature is a new residential complex of 166 apartments and penthouses in El Chaparral, Mijas Costa. The properties are dispersed across six buildings.

As well as the modern new homes, there are amazing communal areas including three swimming pools, paddle-tennis courts, a putting green, dog-walking area, a spa with Turkish bath and sauna, a gymnasium and running track, and a children's playground.

The apartments have 2, 3 or 4 bedrooms and are designed to be bright and spacious with their open-plan layout. The kitchens are fully fitted and are partially equipped.

The bedrooms have direct access to the terraces to allow you to make the most of the weather and the spectacular sea and mountain views.

The properties are finished to the highest standards and with the finest materials.

Mijas Costa puts you only 20 minutes from Malaga airport and within easy reach of all the local amenities, and only minutes from the beach.
