## ***New Project in Estepona***

Aranya Estepona is a new residential project surrounded by some of the best golf courses in Estepona.

The project consists of 68 apartments with 1, 2 and 3 bedrooms, each with large terraces, top quality finishing and the views that come with a southeast orientation.

Communal areas in this new project include co-working area, gymnasium, a play area for children and lush gardens. The large communal pool is available throughout the year with saline chlorination, making the most of the Costa del Sol climate.

The location also means you are never very far from the essential amenities including shops, bars/cafes, restaurants, banks and of course, the beaches of Estepona.
