Torreblanca / Fuengirola

Your New Home in the Sun

Introducing Blanca Hills - a project of just 12 brand new villas, sitting in the hills above Torreblanca, to the east of Fuengirola.

These stunning new properties offer spectacular views of the Mediterranean while enjoying the peace of the green surroundings, while living in an open-plan, modern and bright new home.

The main rooms are south-facing to enjoy the wonderful sun throughout the day, flooding the properties with natural light. All the benefits of a luxury home, without the luxury price.

There are two different types of villa to choose from, with sizes from 169m² up to 268m², distributed over 3 floors, with the additional option of a rooftop terrace to make the most of the sun and the views.

All of the villas offer a private garden of up to 225m² and a terrace of up to 120m².

The location is only minutes from the Miramar Shopping centre, the beach, healthcare, banking, schools and more.
