### ***Where life is a holiday!***

Introducing Calma Mijas - a new residential project consisting of 48 new homes with 2- and 3-bedroom options.

Sitting on an elevated plot in La Cala de Mijas, the apartments offer fantastic views of the sea, and over the gardens and communal swimming pool. There is also a gymnasium for when you have finished your swim.

The configuration of the building at different heights was designed so the sunlight reaches all the rooms in your new apartment. The properties also include a parking space and storage room.

The location in Mijas puts you within easy reach of all the local amenities including shops, bars/restaurants, healthcare, schools, banking, and more. Of course, the beaches are also only a short distance away.
