Pure Living

Welcome to Eden - a new project of three and four-bedroom town homes boasting spectacular sea views.

These new luxury properties offer substantial interior living space, with dining area, fully fitted kitchen with breakfast bar, which blends into the living area. The views from the over-sized triple aspect doors and windows are amazing! They also allow you to move seamlessly from inside to your generous part-covered terrace.

Spacious bedrooms have fitted wardrobes and the master suite boasts a walk-in closet and beautiful en suite. Outside, manicured gardens enclose a private pool in some of the properties.

Every detail is finished to the highest standard and using top quality materials and exquisite fixtures and fittings throughout. You will find air-conditioning and optional underfloor heating.

Additionally, buyers are benefit from several personalisation options to make the property suit you and your lifestyle.

Owners also benefit from a premier concierge service which can assist you with golf reservations, restaurant bookings and home delivery services. Owners will also receive a resident card offering discounts at certain restaurants, beach clubs and spas.

The project will also be a sports club where you will find a putting green, tennis courts and another swimming pool.
