La Cala Golf / La Cala de Mijas

### ***Where dreams come true***

Welcome to Elysium Golf - a new project of just 15 luxury villas in a beautiful part of La Cala Golf.

The project sits close by the club house of La Cala Golf Resort, and only 10 minutes from the beach between La Cala de Mijas and Fuengirola.

The luxury homes are finished to the highest standards using the finest quality materials, avant-garde design, neutral colours and large spaces.

Floor-to-ceiling windows create a light filled home, crowned with a large solarium that covers the entire upper part of each villa.

Each property has more than 300 m<sup>2</sup> built area, a private infinity pool, parking for two vehicles, and several terraces and a private garden.

There are types of villa to choose from. All the Elysium Golf villas can be adapted to the requirements of the owner with multiple options available, including underfloor heating throughout, leisure room, gym or spa, or even the two additional bedrooms.
