### ***Your New Home***

Estrella del Mar Villas is a new project consisting of 52 townhouses, with 3 or 4 bedrooms. The homes are spread over 2 levels, and boast a private garden, and generous terraces, partly covered. There is also 2 parking spaces per property.

Inside, you will find spacious living rooms integrated into the kitchen with a n open-plan layout. The kitchen is fully fitted and includes top of the range appliances.

The properties each have either 2 or 3 bathrooms, depending on the number of bedrooms. They all have underfloor heating throughout the property, air-conditioning, and double glazing.

The communal areas include large spacious gardens, a communal swimming pool, a gymnasium and co-working space.
