Designed For Life

Introducing Evergreen Homes - a new residential project consisting of 80 townhouses with 3 or 4 bedrooms. The location is ideal for golf lovers being right next to El Chaparral Golf Course, and is only a few steps from the beach. The bustling area of La Cala de Mijas is very close by offering all the amenities you would need and expect.

The location means you have access to a myriad water sports and leisure activities including paddle courts, spa, and gym at the adjacent sports centre. The communal areas of the project also offer landscaped gardens, leisure areas and a swimming pool.

The townhouses are south and south-west facing making maximum use of natural light and offering great views of the coast. Add this to the blend of design and comfort to create a truly wonderful living environment.

The living areas of the properties have been designed with attention to detail, large picture-windows, large porcelain tiles and magnificent terraces to enjoy the sunsets and entertaining.

The kitchens are an integral part of the properties and blend with a bright and spacious living space for all-day use.

You can personalise your home with many options including 3 kitchen packs, 2 flooring choices, 3 paint choices and 2 bathroom wall cladding options.
