El Higuerón / Fuengirola

Shaped by the Sea

Higuerón Beach Residences is a new project in the beautiful area of El Higuerón, in Fuengirola.

Consisting of 60 new homes, across 3 blocks of 2 and 3 bedroom apartments with the option of ground floor properties with spacious terrace and gardens, middle floor properties with terraces and duplex penthouse apartments with rooftop solariums. The available formats are 2 bed/2 bath, 3 bed/2 bath and 3 bed/3 bath.

The properties are south-west facing affording owners stunning sea views. Each property comes with two parking spaces and a storage room.

The communal areas of this stunning project include a heated swimming pool for adults, a separate pool for children, a heated Jacuzzi, fully-equipped gym, co-working room, community Wi-Fi, 127m² viewing plaza and landscaped gardens with interior paths. Additionally, solar panels will contribute to sustainability and reduce electricity consumption.

The large terraces and windows will flood the properties with natural light and maximise the excellent views of the sea and mountains. The properties all benefit from air conditioning (hot and cold), underfloor heating, motorized blinds in the living room and master bedroom, security system with video surveillance cameras and installation of a Wi-Fi router.
