El Higuerón / Fuengirola

An Unbeatable Location

Higuerón Residences is a new project consisting of 6 luxury villas and 26 apartments, all with astounding views of the sea, surrounded by lush greenery.

The spacious apartments are divided have two bedrooms, with an elongated sliding door giving residents the choice of dividing the apartments into two parts. The living room and bedrooms have large windows allowing natural light to flood in, merging with the wood that features within the interiors.

The Italian kitchen is designed with a long island of marble connecting with the warmth of the design. The spacious outdoor terrace brings in Mediterranean fragrances, as the interior and exterior blend together becoming one.

Each of the apartments not only has a spacious exterior space, it also has a private jacuzzi. The penthouse apartments have their own rooftop solarium, part covered, to enjoy outdoor dining and make the most of the amazing views from the private pool.

The villas each have four large bedrooms, and are distributed across three floors, which can be accessed with the private elevator. In the living room you will notice the high ceilings increasing the feeling of space, while the sculptural fire-place of marble acts as a stunning focal point. The high windows let in natural light and serve as a viewpoint. The villas also include a private cinema room to enjoy leisure time with friends and family.
