Simply on another level

Introducing One80 Suites - a new contemporary project of 48 two to four bedroom apartments and penthouses, in the well-known area of Estepona. The homes are spread over just three low-rise buildings.

These stunning new homes benefit from superb terraces and private gardens on the ground floor properties, with spectacular views of the Mediterranean.

The stylish new homes sit in a prime position in southern Spain known for its blue flag beaches and endless of amenities within walking distance, as well as being surrounded by some of the best golf courses on the Costa del Sol.

These classy contemporary properties offer a perfect blend of design and comfort. Communal spaces and generous interiors have been designed to make the most of natural light, in order to offer an exceptionally attractive product. The design of the units emphasizes interior natural light and inside spaces that merge seamlessly with the spacious outside spaces to create an extended living area to enjoy with your family and friends.

The homes at One80 Suites are fitted with a number of convenient features for your comfort and safety, including air-conditioning and secure underground parking. There are also options to personalise to adapt to your exact needs and tastes.

The configuration of your home will depend on the type and number of bedrooms, but each apartment will be delivered with a fully fitted kitchen with large white high gloss cabinets, and in each property the master bedroom will have a perfectly

appointed en-suite bathroom, while the guest bedrooms will be served by a full family bathroom.
