Malaga Towers is a new apartment project situated just metres from the beaches of Malaga.

Only 10 minutes from the main port and a few minutes more to the airport, this project is connected with the city and the rest of the Costa del Sol. The area is up and coming, full of expansion with elite sports facilities, hospitals, schools and more, all with the perfect Mediterranean climate.

The properties have up to 4 bedrooms and up to 5 bathrooms and the building is south-facing looking out to the sea. These homes give you the luxury of a villa integrated into a high-rise format.

The apartments are bright and spacious with ample terrace space to enjoy the view and the weather.

The communal areas are spectacular offering a cinema room, spa, games room, nursery, gym, pool par, infinity pool, heated pool, solarium, shopping hub and even a co-working space. Everything you need on your doorstep!
