Everything you love!

Welcome to Soul Marbella - a new project in Santa Clara to the east of Marbella.

Set on a large plot of over 120,000m² and surrounded by Santa Clara's Golf course, Soul Marbella is one of the few developments in Marbella to provide buyers with an extensive choice of property types including individual townhouses and villas, as well as apartments and penthouses.

The secure gated community is divided into five phases and once complete will boast 200 luxury properties, all enjoying a host of facilities usually found in a 5-star resort! These include a large central swimming pool with an impressive 30m of waters edge, a fully equipped gym with top of the range equipment. There is also an indoor pool and spa, an onsite cafe/bar, co-working spaces and a host of concierge services.
